## Youth Members of the Month December 2015 The Junior Sunday School

*The members of CMBC would like to recognize the Junior Sunday School Department. Attending Sunday school is much different than traditional school. Pastor Harper has said many times, this is a school you never graduate from, but can always learn something. Sunday school is where many young people come to know God, but as adults learn how to have a better relationship with him.*

*We would also like to recognize and thank the teachers and other adults who educate and monitor our youth. For many years, Deacon Love sat in the Junior Sunday school to make sure our youth were behaved and receiving the right message. Our teachers are dedicated and faithful each and every Sunday. The teachers also pull double duty as we approach Resurrection Sunday and Christmas for programs the youth present. We would also like to thank Bro. Edgar Anderson for taking watch on the wall as Deacon Love went to be with our Lord.*

*Lastly thank you to the parents who ensure that our youth are attending Sunday school so that they receive the Christian education needed to make them true children of God.*
