## **Youth Member(s) of Month April 2013 Charity Abner**

Charity Abner finished the membership class at CMBC on November 1, 2009. She is the granddaughter of her proud grandparents Bernard and Connie Hawkins. She is actively involved in Sunday school, Combined and Youth choirs, Junior Usher Board and the Youth Ministry. Charity always looks forward to going on the summer outings with the youth ministry.

Charity loves to swim and she especially loves going out to eat. Her career goals are to become an animation artist and she is interested in advertising. For past time, Charity loves to make things, sewing and making different outfits to wear, to name a few.

Currently, charity is an eighth grader at Turner Drew Language academy. She has made her final decision to attend Auburn-Gresham High School next year.

The members of Christian Missionary Baptist Church would like to encourage Charity to continue her walk with God and enjoy being a child of God. Charity's decision to follow Christ at a young age gives her the opportunity to have a longer journey with Christ than if she made that decision as an adult. Enjoys these days of being a young Christian! Thank you for being an example to other young Christians.
