Youth Members of the Month July 2015 Danell and Chadd Turner

Danell

Danell is an older son of Raquel, brother of Courtney and Chadd, and nephew of Deborah and Sean, who is also a proud member of the church. He is friendly with a quiet demeanor. He's highly devoted to his family and also enjoys being around close friends. Danell likes football, but especially enjoys fishing on one of his friend's boat. He loves having fun, going to places in downtown Chicago, and enjoys spending time with his family.

Chadd

Chadd defines himself as very smart young man who is staying focused on getting a good education! He is devoted to his mom who he describes as "wonderful and loving" and he also loves and appreciates his family very much. He is the youngest son of Raquel, the brother of Courtney and Danell, and nephew of Deborah and Sean. Chadd enjoys playing a variety of sports such as basketball, baseball, football, wrestling, swimming and track. He likes art and drawing and plans to attend college and major in "Graphic Design" and "Gaming Technology". Good luck, Chadd, always put God first, don't give up and your success lies ahead!

The members of Christian Missionary Baptist Church would like to encourage Danell and Chadd to continue their walk with God and enjoy being one of his children. Danell and Chadd's decision to follow Christ at a young age gives them the opportunity to have a longer journey with Christ than if they made that decision as an adult. Enjoys these days of being young Christians!
